- a flash drive of all the images; images on the flash drive will be both in color and black and white
- your choice of a luster or metallic enlarged print from your gallery (up to 16" x 24")
- a 10 x 10' lay flat photo album containing 10 pages (includes front and back printing making 20 pages in total), additional pages may be purchased at \$9 per page; and
- an option to upgrade your purchase to the entire gallery for an additional \$250.

*Quoted prices are before sales tax. Additional fees may apply for such things as travel more than 25 miles from photographer's residence, a rush on services, extensive retouching (as determined by the photographer and not undertaken before consulting with client), and services of a hair and make-up stylist.

**The images uploaded to your gallery for 7 day viewing will have received basic edits for exposure, cropping, white balance, as well as light retouching. The images you select to receive will have undergone more extensive editing such as cloning out distractions in the background, removing shine and blemishes from your complexion, burning and dodging, etc.
